Code of Conduct

Just a few sensible guidelines in the interest of safety, to help keep things calm and orderly at the studio and make sure that students can get the most out of their classes without any disruption:

- No smoking anywhere on the premises, including in our car park.
- Younger siblings must be supervised (and always stay quiet) so as not to disrupt the lessons or the other parents waiting.
- No running through the corridors.
- Students should not enter a classroom without the teacher
- Disruptive behavior is unacceptable, and students will be removed from class after two warnings. This includes talking out of turn in class.
- No food or drink in the dance rooms except water.
- All students are expected to be kind, friendly and respectful of one another both in and out of the studio. We're here to support each other and work as a team.
- Bullying or highly competitive unsportsmanlike behaviour is not welcome and in conflict with our Child Safety Policy. All such matters will be managed by the Director.

We reserve the right to suspend or cancel an enrolment if a student's behaviour is continually disruptive to the learning environment and/or distracting to fellow students. It is important for us to be able to do this, not as punishment (we're not here to play disciplinarian to your children) but simply to ensure that the students at EDA can have the best possible experience.

Help us keep our studio tidy...

Please respect our studios and help us to keep it looking nice. Keep your feet off the furniture and hands off the walls and mirrors. Take all rubbish with you or place it in one of the many bins provided. Drink spillages and "accidents" are parents' responsibility to clean up immediately, please ask at reception for a mop or sponge if required.

There is a class happening...

Parents and students and students' sibling are asked to keep all noise to a minimum when in the foyer or waiting in between classes. Sometimes noise filters through to the class and becomes a distraction preventing the students from an optimal learning experience.

COVID-19

We endeavor to stay current with COVID-19 NSW Government legislation. As clients of EDA, we appreciate compliance with legislation implementation. We appreciate your cooperation helping keep staff and students as safe as possible.
